Manager's Comments:

- The Gemi First Mortgage Fund delivered an annualised net investment return for ordinary unitholders of 9.0% p.a. for the month with a cash distribution of \$0.0074 per unit paid⁽⁴⁾ (or reinvested in the Fund per the investor's distribution preference)
- The Fund has consistently achieved the target returns since inception and the cash distribution is the 24th paid by the Fund
- The Fund comprised of 50 loans diversified across 43 sponsors with the largest loan accounting for c. 7% of the Fund (unchanged from last month)
- During the month, 1 loan was repaid in addition to 2 partial loan repayments, and 2 new loans were transacted
- The larger of the 2 new loans is secured by a luxury residential property located in the affluent suburb of Edgecliff in Sydney at a LVR of 29%. The loan is for the purpose of temporary equity release to a borrower who has a successful track record in his field of business. There are multiple exit pathways for repayment of the loan, the primary one being via proceeds from the borrower's business for which the loan has been used to facilitate
- There was no capital impairment as confirmed by the active monitoring of the Fund's portfolio. The Fund's first loss credit enhancement is \$9.2 million as at the date of this report (up from \$8.7m last month), which is more than any single loan holding in the Fund and compares to the median individual holding size of \$1.2 million
- Thank you for your ongoing support and investment in the Gemi First Mortgage Fund. Please contact us if you have any questions or if you would like to meet for a general update on the market and the Fund's strategy**
